Chapter 1

Welcome to Saraswati Niketan

Our Heritage and Vision

Saraswati Niketan Secondary English Boarding School, established in 2050 B.S. (1993/1994 A.D.), stands as a leading private academic institution in Gairdakot, Nawalpur. Our commitment is rooted in imparting quality, practical, and globally competitive education, keeping the modern education system at the heart of our teaching-learning procedures.

The school is uniquely situated amidst natural beauty, offering an environment of tranquility, freshness, and scenic vistas that supports focused and wholesome learning. We operate all academic activities from our own dedicated infrastructure.

Our Mission is to foster our students with the improved and intensified vision of:

- Ensuring all students experience success and build self-esteem.
- Achieving academic, social, and emotional maturity in every child.
- Producing globally competitive human resources for the 21st century.

We strive to be a better place for the future, managed by a combined team of experienced, efficient, and dedicated members who uphold the philosophy of "Quality Students, Quality Parents & Qualified Teachers."

Chapter 2

Academic Programs

Saraswati Niketan offers a comprehensive academic pathway that caters to students from early childhood through higher secondary levels, ensuring a continuous and holistic educational journey.

School Level Programs (Playgroup to Secondary)

Our school level is dedicated to foundational learning, character building, and developing essential cognitive and social skills.

- Playgroup & Nursery: Focus on early stimulation, sensory development, and playful learning.
- Primary School: Establishing literacy, numeracy, and environmental awareness.
- Secondary School: In-depth subject study, critical thinking, and preparation for higher secondary education.

- Higher Secondary Programs (+2 Level)

Our plus two (+2) programs are designed to equip students with specialized knowledge for future career paths, focusing on rigorous academics and practical application.

Program Specializations / Notes

- +2 Science Available with both Bio Science and Computer Science tracks.
- +2 Management Includes a compulsory component in Computer Science.
- +2 Hotel Management Focuses on industry skills and includes Computer Science.
- +2 Education Prepares students for careers in teaching and educational development.
- +2 Humanities Focuses on social studies, arts, and liberal disciplines.

Curriculum and Co-Curricular Activities

In addition to the core curriculum, the school offers:

- Senior National Cadet Corps (NCC) Program: Available for students of Grade XI and XII, fostering discipline, leadership, and patriotism.
- Scholarships: 100% Scholarship is available for deserving students.

Chapter 3

School Life and Facilities

We believe that a supportive and well-resourced environment is crucial for effective learning and overall development. Saraswati Niketan provides modern facilities to ensure students thrive academically, physically, and socially.

Key Facilities Provided

- Science Lab: Well-equipped laboratories for Physics, Chemistry, and Biology to facilitate practical learning and experimentation.
- Computer Lab: State-of-the-art computer facilities with internet access, supporting the school's focus on technological education.
- Library: A resourceful library stocked with academic books, journals, reference materials, and literary works to encourage reading and research.
- Hygienic Cafeteria: A clean and well-maintained cafeteria providing nutritious and hygienic meals and snacks.
- Sports Facilities: Dedicated spaces and equipment for various sports and physical activities, promoting health and team spirit.
- Transportation: Reliable transportation services for the convenience and safety of students.

Chapter 4

Achievements and Recognition

Our commitment to quality education and institutional management has earned Saraswati Niketan national and international recognition.

Certifications and Awards

- ISO 9001:2015 Certified Company: We are recognized for maintaining international standards in Quality Management Systems (QMS), ensuring consistent quality in educational service delivery.

- Approved CPD Provider: Certified by The CPD Group (Provider #781932), demonstrating our commitment to Continuous Professional Development for our faculty and staff, keeping teaching methodologies modern and effective.

- British Council International School Award (ISA) 2020–2023: This prestigious award recognizes the school's commitment to embedding international awareness and global citizenship into the curriculum.
